

MATERIAL OF CONSTRUCTION

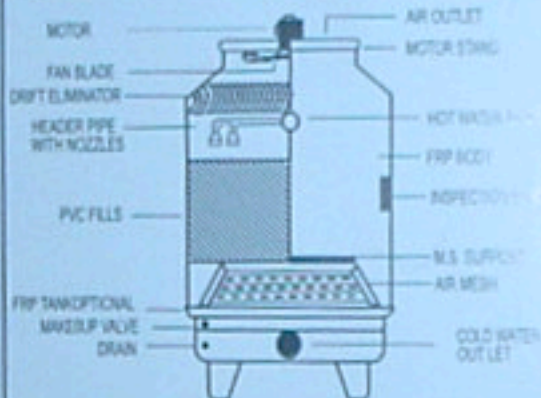

SALIENT FEATURES

- ❖ Direct-driven axial fan.
- ❖ Vertical induced-draft counterflow.
- ❖ Highly efficient honeycomb PVC fill.
- ❖ Leak-proof FRP water basin.
- ❖ Hot dip galvanized MS supporting structures.
- ❖ Modular, Light weight and long lasting construction.
- ❖ Corrosion-resistant and fire-retardant.
- ❖ Versatile application.

CASING - FRP

- ❖ Water Basin - FRP
- ❖ Structure - Hot Dip Galvanized Steel.
- ❖ Fan - Aluminium / FRP
- ❖ Fills - Rigid Vacuum - Formed PVC
- ❖ Louvers - PVC Mesh
- ❖ Drift Eliminators - PVC Integral with fills.
- ❖ Nozzles - Polypropylene
- ❖ Sprinkler - Aluminium / S.S.
- ❖ Motor - Flange Type weather proof
- ❖ Hardware - Electroplated.
